RE: PSCW Docket No. 05-TI-824

Dear Mr. Evenson:

The Wisconsin State Telecommunications Association (WSTA) will participate in PSCW Docket No. 05-TI-824.

The WSTA Board of Directors has not adopted a position on the issues addressed in the Federal Communications Commission (FCC) Triennial Review Proceeding, in particular the unbundling issues. It is not expected that the WSTA Board of Directors will adopt a position on such issues until after the FCC releases an order that identifies the issues for the state commission to address.

An original and fifteen copies of this response to the Notice of Investigates are hereby filed with the PSCW.

Sincerely submitted,

Nick Lester
Manager of Regulatory Affairs
