

**Centennial Celebration  
WSTA Annual Convention  
May 24, 2010 through May 27, 2010**

***“Celebrating a Century of Service, Innovation and Progress”***

The WSTA Centennial Committee invites all member companies and individuals to join the  
**“CENTENNIAL CLUB”**

The Centennial Club will assist the WSTA in properly observing this milestone with special anniversary items such as a Commemorative Book, Video, and/or Montage.

The Centennial Club will also help in the celebration by providing Convention Scholarships to industry retirees and allowing us to make the 2010 Convention and, in particular, the banquet a truly memorable event.

In recognition of your company contribution at levels of \$1,000 or \$500 and/or individual contributions of \$100 your company and/or individual name will be listed as **“Centennial Club”** contributors on the WSTA 2010 Convention Website Page and the 2010 Convention Program.

Contribute NOW and your company/individual name will be recognized regularly in the WSTA electronic publications. For each edition of the newsletter and bulletin WSTA will list who just joined and any club members who had previously joined.
